"THE PREZ SEZ"

As engineer on the "Kentucky Colonel Chapter Limited," I have pulled the throttle, full steam ahead for a successfull trip on track one of A. B. W. A. in 1969.

I wish to express my sincere appreciation to the chapter for electing me, your president for the coming year.

I deem this a high honor, and with your cooperation, I will work to make this year one of the best.

I hope to see all of you at the dinner meetings each month. You will keep informed on all chapter activities by attending.

Your President,

Sue Short

HEADLINES

JAY KRUM

Word has been received by the local Park City Daily News and Radio WKCT that Jay (Jaybird) Krum has been selected as one of the top twenty models in the country by designers and critics attending a selected fashion showing this month in Washington, D. C. Jay and her Poodle "Peco" were photographed on her arrival at Washington National Airport to participate in the show of fashions. We are very proud that she has been selected and honored by those in her professional field. We hope to hear all of the details when she returns to Bowling Green later this month. Jay was much too modest to give us a "scoop" or preview before she left.
